EXPLANATION OF BOX "A"

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF BOX "B"

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mrs. Gunkel:

We are desirous of furnishing you information regarding the remains of your son, the late Flight Officer Harry G. Gunkel.

The official report of burial has been received and discloses that the remains of your son were originally buried in a civilian cemetery at Siegendorf, Germany. In regard to map location, Siegendorf is 49° 51' North Latitude and 10° 24' East Longitude. The town of Siegendorf is approximately 22½ miles east of Wurzburg, Germany.

The report further indicates that these remains were later disinterred by our American Graves Registration Personnel, properly identified, and reinterred in Plot VVV, Row 5, Grave 58, in the United States Military Cemetery St. Avold, France, located twenty-three miles east of Metz, France. The remains have now been casketed and are being held at that cemetery pending disposition instructions from the next of kin, either for return to the United States or for permanent burial in an overseas cemetery.

Inasmuch as your son's widow has remarried, our records have been amended to show that you are now the next of kin legally authorized to direct the final disposition of the remains of your son. We are, therefore, inclosing informational pamphlets regarding the Return of World War II Dead Program, including a Disposition Form on which you may indicate your desires in this matter. Upon receipt of the properly completed form, you may be assured that the Department of the Army will attempt to comply with your instructions as indicated thereon.

In order that this office may take immediate action toward the final disposition of the remains of your son, it is urged that you complete the inclosed form, "Request for Disposition of Remains", and mail it to this office, without delay, in the inclosed self-addressed envelope which re-

Dear Mrs. Gunkel:

I am writing you relative to the previous letter from this office in which you were regretfully informed that a Finding of Death had been made in the case of your husband, Flight Officer Harry G. Gunkel, T125797, Air Corps, and that the presumptive date of his death had been established as 29 March 1946.

The records of the Department of the Army are being amended to show that Flight Officer Gunkel was killed in action on 28 March 1945 in Siegenhof, Germany. This change in status from presumed dead to killed in action is based on burial information recently received. You will receive a letter from The Quartermaster General concerning the disposition of your husband's remains.

Pursuant to the provisions of Public Law 490, 77th Congress, 7 March 1942, as amended, official reports will now be issued by the Department of the Army which will indicate the actual date of his death as that shown above. The issuance of this official Report of Death will not affect any payment or settlement of accounts which has been made on the basis of the Finding of Death.

My continued sympathy is with you in the great loss you have sustained.

Sincerely yours,

EDWARD F. WITSELL
Major General

REMARKS

¹ Ebrach, Germany, (listed in the MACR for aircraft 43-22495 as last known whereabouts of the plane) is approx. 4 miles from the village of Schenaich where civilians say this plane crashed.

² Cemetery records (kept by the Burgermeister of Siegendorf) give F/O Gunkel's name, rank, serial number and other information that could have come only from his identification tags.

³ X-2719 and X-2720 were buried in a common grave and are the only unknowns whose place of death is listed as Siegendorf, Germany. X-2720 has been identified by the Field as Sgt. Leroy J. Grzona 36816710, the other member of F/O Gunkel's two^{man}-crew. Sgt. Grzona's case is being submitted under separate cover.

note: There are no German records for this man available in this office.

Dear Mrs. Gunkel:

This acknowledges your recent letter relative to the personal effects of your husband, Flight Officer Harry G. Gunkel.

Your husband's personal property which was received at this Bureau was forwarded, October 25, 1945, to his mother, Mrs. Laura G. Gunkel, 7257 Ridge Boulevard, Chicago, Illinois, since no other person was named on the official report from The Adjutant General, on file at the Army Effects Bureau at that time.

The action of this Bureau in transmitting this property does not, of itself, vest title in Mrs. Gunkel. The property was transmitted in order that she might safely keep it on behalf of the owner, pending change in his status.

For your information, there is inclosed a list of your husband's effects, received at this Bureau.

Yours very truly,

D. S. JOHNSTON

Dear Mrs. Gunkel:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your son, **Flight Officer Harry G. Gunkel.**

Two cartons with contents.
One package with contents.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.

Yours very truly,
