INFORMATION FOR NEXT OF KIN OF WORLD WAR II DECEASED

You have just been advised by telegram from Distribution Center #1 that the remains of your loved one is enroute to the United States. The purpose of this letter is to explain to you what will happen between the time you received the telegram and the time the remains will be delivered. This should help you in making your plans for burial arrangements.

The telegram that you received was dispatched several days before the arrival of the mortuary ship at the New York Port of Embarkation. As soon as the mortuary ship arrives in the United States, individual remains are debarked from the vessel and carefully checked against the passenger list deceased. The casketed remains together with the outer protective cases are then moved in special mortuary railroad cars under military guard to the distribution center, which will eventually deliver remains to the final destination.

The honored American dead being returned to the next of kin in Metropolitan New York, northern New Jersey, New England States and northern Pennsylvania are moved through Distribution Center #1 which is a Quartermaster installation located in the New York Port of Embarkation. This Distribution Center will, upon receiving remains for delivery to its area, make up a delivery schedule that will be accomplished over a period of several weeks after remains have arrived at the U. S. Port of Entry. This schedule will take into consideration the availability of appropriate escorts, transportation facilities and the operational workload of the Distribution Center itself.

Delivery of the war dead is accomplished essentially in the order in which the remains are debarked from each vessel and are delivered to the custody of the Distribution Center. There is no priority established because of rank or alphabetical order. Delivery of the remains from each vessel is completed before a delivery schedule is made for remains arriving on a subsequent ship. A period of from one to six weeks will elapse before the remains of your loved one will be delivered. This period is necessary to permit a careful inspection of the casket and its outer protective case, to determine transportation routing and to select proper military escort to deliver the remains to the place designated by the next of kin.

The remains are escorted home individually by a service man who is of equal or higher rank, of the same branch of service, of the same race and sex as the deceased.

You have already received one telegram giving advance notification

of the arrival of the remains in the United States. It was stated in this initial notification that a second telegram will be dispatched three to four days prior to the time the escort will leave the Distribution Center with the remains.

In case the burial is in a national cemetery, the family will be notified by the Superintendent of the cemetery. This notification will give the date and time of the burial service. You will receive this notification in sufficient time to make arrangements to attend. The time will usually be from three to five days. The expense of attending the ceremony at the national cemetery must be borne by the next of kin. Chaplains of the three major faiths are in attendance at the national cemetery and will conduct proper religious service. The next of kin may select a clergyman of their own choice if they so desire. Military honors are always provided by the U. S. Government at the national cemeteries.

In case of burial in a private cemetery, the funeral director or other consignee will be notified by telegram three to five days prior to delivery and he in turn is requested to notify next of kin immediately so you will have adequate time to make funeral arrangements.

REPATRIATION
BRANCH
The casket used in the repatriation of World War II dead is made of 18 gage seamless steel, hermetically sealed. The entire interior is quilted silk lined, consisting of upholstery, mattress and pillow. The casket is inclosed in an outer protective plywood metal-lined shipping case, which is suitable for use as a burial vault and is used for this purpose in all national cemeteries. Upon delivery of the remains, the shipping case becomes the property of the next of kin.

Transportation of the remains from this Distribution Center to the point designated by you will be at government expense. If burial is to be in a private cemetery, a government allowance of not to exceed \$75.00 is authorized to cover actual burial expenses incurred by the next of kin. Expenses in excess of this amount must be borne by the next of kin or other individual incurring such expenses. The necessary papers for applying for Government allowance, in the case of private burials, will be furnished by the escort at the time the remains are delivered. No interment allowance is authorized in the case where burial is accomplished in a national cemetery. All expenses are assumed by the U. S. Government when burial is consummated in a national cemetery.

Please feel free to call upon this Distribution Center if you think we can be of assistance to you. Letters should be addressed to the Commanding Officer, Distribution Center Number 1, New York Port of Embarkation, Brooklyn, New York.

Dear Mrs. Heitell:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains," and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Mrs. Rose Heitell

Dear Mrs. Heitell:

Your letter pertaining to the remains of your son, the late Staff Sergeant Stanley L. Heitell, has come to my attention.

The "Request for Disposition of Remains" forms pertaining to the United States Military Cemetery Margraten, Holland, where the remains of your son are now buried have not yet been mailed to the next of kin of the heroic dead.

The Return of World War II Dead Program provides for the return of the deceased to their next of kin in a predetermined scheduled sequence of the cemeteries in which they are now buried. Efficient and rapid accomplishment of this tremendous program requires not only close adherence to mailing schedules for the Disposition Forms made in agreement with the scheduled cemetery sequence but also accurate verification of all vital records of every decedent prior to the mailing of the Disposition Form. When verification for each cemetery is completed the Forms are mailed well in advance of the scheduled processing of the cemetery.

I fully understand your natural anxiety and assure you that you will receive your Disposition Form in ample time for complete, satisfactory expression and fulfillment of your desires for the final disposition of your beloved son.

Please do not hesitate to call upon us at any time if you believe we can assist you further.

Sincerely yours,

RICHARD B. COOMBS

Dear Mrs. Heitell:

Your letter concerning your son, the late Staff Sergeant Stanley L. Heitell, has been received in this office.

The War Department has now been authorized to remove the remains of our honored dead, at Government expense, to the final resting place which next of kin may designate.

When the necessary verification of records has been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be mailed to you. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of your detailed desires as next of kin. Until you receive these forms, therefore, it will not be necessary for you to communicate with this office regarding this subject, unless you desire to report any change of address. The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when the mentioned forms will be mailed. Every effort, however, will be made to shorten the time between now and the date of mailing and your desires will be acted upon with a minimum of delay.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

JAMES L. FRENCH

To whom it may concern,

I mother of St. Sgt

Stanley Heitell am writing to you hoping
that I will get a definite answer regarding
of bringing my late son's body. So far I
have been calling the War Department every
few weeks but it seems they cannot give me
any idea. Will you please give a brokenhearted
Mother an answer as to how soon I can hope
for. I don't know how long I'll live & I only live
for that day to have him home that's what he wanted
most so please try and give me an answer soon.
I will have a family plot ready. I know that quite
a few thousand bodies were being brought home
& I was told I'll receive a letter telling me
when to expect his body but so far I haven't.
I know they were to arrive in some time September
Please try & give me an answer. Yours truly

Dear Mr. Ross:

Your letter dated 7 June 1946 has been received in this office.

It is regretted that you must be advised that it is not the policy of this office to forward the addresses of the next of kin of the deceased military personnel buried overseas. When letters are received in this office requesting the names and addresses of relatives they are forwarded to the next of kin for any action they deem necessary.

This office has received a letter from Mr. H. Hertog requesting the addresses of the next of kin of the deceased military personnel listed in your letter. On 22 May 1946 this office sent a copy of Mr Hertog's letter to the next of kin of each of the deceased men for direct reply to Mr. Hertog if they so desire.

Dear Mrs. Heitell:

Attached is a copy of a letter received in this office.

The communication is self-explanatory. Nothing is known by this office as to the writer and, accordingly, it is not felt that your name and address as the legal next of kin of the late Staff Sergeant Stanley L. Heitell, should be given unless you desire it.

While it is possible that the letter has been written in perfectly good faith, there have been some cases in other localities where similar persons have imposed upon or become a nuisance to the next of kin. Therefore, as indicated, the letter is being forwarded to you for such action as you desire.

The official Report of Burial discloses that the remains of your son were interred in Plot U, Row 6, Grave 138, in the United States Military Cemetery, Margraten, Holland located twelve miles northwest of Aachen, Germany and eight miles southeast of Maastricht, Holland.

Please accept my sincere sympathy in the loss of your son.

Dear Mrs. Heitell:

The Army Effects Bureau has received some additional property of your son, Staff Sergeant Stanley L. Heitell.

It is my intention to forward this property to you; however, in view of the lapse of time since our previous correspondence, I shall appreciate it if you will first confirm your address.

I regret to advise that included among your son's effects is a towel which is damaged, apparently by bloodstain. Please say whether you want this item sent with the remainder of the property. It is our desire to refrain from sending any article which would be distressing; at the same time, we do not feel justified in removing the item without your consent.

Your reply may be made at the foot of this letter, if desired, and mailed in the inclosed self-addressed envelope which needs no postage.

Dear Mrs. Heitell:

Ordinarily loose coins found in the effects of military personnel in a casualty status are accumulated and converted to a check, to insure safe transmittal to this Bureau from overseas. The check is cashed here, and the proper amount in coins then is sent to the person entitled to receive it in each instance.

Such was the case with sixty-nine cents belonging to your son, Staff Sergeant Stanley L. Heitell. This money is forwarded to you herewith.

I thought we should explain why you are receiving these coins separately from other property of your son.

Sincerely,

A. G. SCHUMACHER

Dear Mrs. Heitell:

I am inclosing a check for \$131.14, representing funds of your son, Staff Sergeant Stanley L. Heitell.

No other property belonging to him has been received at the Army Effects Bureau to date.

Our action in transmitting funds does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of decedent's legal residence.

Money ordinarily is sent from overseas by mail in advance of other effects; therefore, it is probable that additional belongings of decedent will reach this Bureau at a later date. As it is intended to forward any such property to you promptly upon receipt here, I ask that you please notify this Bureau if there is a change in your address within the next few months.

I wish to express my sympathy in the loss of your son.

Sincerely,

C. B. QUINN

Re: Personal Effects of
S/Sgt. Stanley L. Heitell
#32704568

Gentlemen:

I was referred to you, in reference to claiming the personal belongings of my son, S/Sgt. Stanley L. Heitell, 32704568, of the Army Air Forces.

My son was killed in action over Belgium on March 21, 1945.

I was told that by writing you, I would be placing my claim on file for whatever he had.

I would very much appreciate your doing whatever you can to expedite the delivery of all his effects to me, as under the circumstances whatever there is is very precious to me, and I would very much like to have them in my possession as soon as possible.

Your reply, by return mail would be very much appreciated by me.

I am giving below his address, when I last wrote him; perhaps this will enable you to locate his belongings more effectively.
