PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed $75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The $75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the $75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mr. John A. Farley
217 Sulis Street
Philadelphia 20, Pennsylvania

Dear Mr. Farley:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN
Major General

Mrs. Catherine M. Farley

Dear Mrs. Farley:

Your letter pertaining to the remains of your son, the late Second Lieutenant John J. Farley, has come to my attention.

The "Request for Disposition of Remains" forms pertaining to the United States Military Cemetery Margraten, Holland, where the remains of your son are now buried, have not yet been mailed to the next of kin of the heroic dead. Present schedules indicate however, that the forms will be sent out in the near future.

The Return of World War II Dead Program provides for the return of the deceased to their next of kin in a predetermined scheduled sequence of the cemeteries in which they are now buried. Efficient and rapid accomplishment of this tremendous program requires not only close adherence to mailing schedules for the Disposition Forms made in agreement with the scheduled cemetery sequence, but also accurate verification of all vital records of every decedent prior to the mailing of the Disposition Form. When verification for each cemetery is completed the Forms are mailed well in advance of the scheduled processing of the cemetery.

Sincerely yours,

Dear Sir, 293 Farley, John J.
I am writing to you to see if you have any record of where my son 293 2nd Lt. John J. Farley O 765240. Air Corps. is buried.

His bomber was shot down at Kerpen Road Junction, between Aachen and Cologne over Germany. He was shot down on February 25th 1945. We received word from the War department he was missing on that date.

On August 14th 1945 we received word he was killed on February the 25th.

That must have been around the

time when they found his body.
or some identification.

I would appreciate it very much
if you can give me any information

Thanking you very much

I remain

Sincerely yours

Mrs J. Farley.

Dear Mrs. Farley:

Your letter concerning your son, the late Second Lieutenant John J. Farley, has been received in this office.

I regret that I must inform you that information concerning the burial of the remains of your son has not yet been received in this office. However, our Graves Registration Forces in the field are making a complete and thorough search of all areas over which our men fought. All available information such as enemy reports of death and burial, either captured or transmitted through the International Red Cross, results of interrogation of returned Prisoners of War, statements made by natives of the localities being searched, and reports submitted by Commanding Officers and fellow soldiers who were in the vicinity at the time of the fatality, are being used to implement their efforts. It is contemplated that all remains so recovered will be interred in established American Military Cemeteries pending the initiation of the Program of Repatriation. I sincerely hope that this intensive search will result in the discovery and the identification of your son's remains. Please be assured that when information is received that this is accomplished and his remains have been properly interred, you will be informed without delay.

Please accept my sincere sympathy in the loss of your son.

OQM, HEADQUARTERS, IX AIR FORCE SERVICE COMMAND, APO 149, U.S. Army, 3 August 1945.

TO: Chief, Graves Registration Service Command, US Forces in European Theater, (Rear) APO 887, U. S. Army. (THRU: QM, BADA, USSTAF, APO 635, US Army).

1. In compliance with basic communication and preceding indorsement an investigation was conducted by the Graves Registration Office of this Headquarters and the following information is submitted:

a. Unknowns X-321 and X-322 (Margraten) were identified as 2nd Lt. John J. FARLEY O-765240 and Sgt. Edgar. Hardesty, 33720735 of the 416th Bomb Group.

b. Lt. FARLEY and Sgt. Hardesty were last reported Missing in Action 25 February 1945 while on an operational mission in Aircraft A-26 Serial No. 41-39238 in the vicinity of Kerden, near Herring, Germany; same locality in which Unknowns were evacuated.

c. Machine guns installed on Lt. FARLEY's Aircraft were as follows:

(a) 1038405- 1038383 - 1545805 - 1545807

(b) 1038608 - 1038512 - 1076047 - 1038379

(c) 1038512 - 1536799 - 1536737 - 1536779

(d) 997713 - 1038608 - 1536753 - 1536764

Underlined installed guns corresponding with machine guns found at scene of crashed aircraft.

2. In view of the above findings and the fact that Lt. FARLEY and Sgt. Hardesty were the only crew members of this aircraft, identification of subject deceased can be established. However individual identification cannot be made due to lack of sufficient information as to which of the deceased wore Officers clothing. It is believed that if the deceased can be disinterned and check be made of clothing in reference to which of the two can be identified as an Officer, individual identification can be established.

3. Request that upon completion of Reports of Burial, copies be forwarded to this Office for our files.
