Mr. Ralph E. Sabadosh

Denver, Colorado

Dear Mr. Sabadosh:

Reference is made to the interment of your brother, the late Staff Sergeant John W. Sabadosh, and his comrade, which was made in Grave No. 1203, Section F, Fort McPherson National Cemetery, Maxwell, Nebraska. It is regretted that because of the fact it was impossible individually to identify the remains of your brother, you were deprived of the comfort and consolation which you might have been afforded by interring his remains at home.

It is felt that you might like to have the inclosed photographs of the grave and the headstone which has been erected.

You are assured that the grave will always be cared for in a manner fully commensurate with the sacrifice your brother has made for his country. Any desired information concerning the grave or the cemetery will be furnished upon request.

Sincerely yours,

Group Burial
United States Military Cemetery

13 January 1949

Mr. Ralph E. Sabadosh
1175 West Gill Place
Denver, Colorado

Dear Mr. Sabadosh:

The Department of the Army desires that you be given the latest information regarding the disposition of the remains of your brother, the late Staff Sergeant John W. Sabadosh, A.S.N. 37 341 749.

In view of the circumstances of his death, which also caused the death of another of his comrades, it has not been possible to establish individual identification. Accordingly, these honored dead have been temporarily interred as a group in the United States Military Cemetery Solers, France, pending their return to this country for final burial.

The remains represented in this group will be returned simultaneously to the United States within the next few months for final burial in:
Fort McPherson National Cemetery, Maxwell, Nebraska
This cemetery is geographically located about equidistant from the homes of the two families most widely separated. This plan for the disposition of groups, with respect to which only the collective identity is known, is in keeping with the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. We believe that you will agree that the burial of this group of honored dead in one of our national shrines, where perpetual care can be given their graves, is both fitting and proper.

It is vitally essential that you promptly inform the Commanding Officer, Chicago Quartermaster Depot, Attention AGRD, 1819 West Pershing Road, Chicago 9, Illinois, of any change in your address. If you fail to do this, it may not be possible to contact you when the remains reach the United States and to notify you the date final interment will be effected.

In due course, the Superintendent of the above National Cemetery will communicate with you in regard to burial arrangements. Information as to the time of interment will be furnished sufficiently in advance to afford attendance by you and other members of your family desiring to participate.

Please accept my sincere sympathy in your great loss.

EC

Sincerely yours,

JOHN O. HYATT

Dear Mr. Sabadosh:

We are desirous that you be furnished information concerning the resting place of the remains of your brother, the late Staff Sergeant John W. Sabadosh.

With deep regret I must inform you that, although the records of this office disclose that the remains of your brother were reverently interred, it was not possible, because of the manner in which he met his death, to identify his remains individually.

The remains of your brother and those of one of his comrades who died with him are currently resting as a group in the United States Military Cemetery, Solers, France, located twenty-two miles southeast of Paris, France.

It is the policy of the Department of the Army to return all group burials of which only the collective identity is known, to the United States for final interment in a national cemetery chosen by The Quartermaster General. In selecting the national cemetery, however, special consideration will be given to the geographical location of the residences of the respective next of kin. SHIPMENT CLERK

Dear Sirs;

I am writing in regards to the check you sent here to my grandson P.F.C. Ralph W. Salvadosh 37363005, left to him by his brother S/Sgt. John W. Salvadosh 37341749, who was killed in action January 2nd, 1945. Ralph is in the Pacific and were afraid that the check might get lost in the mail if we send it to him, or that he might start home before the check should reach him. Please advise us whether to send it to him or if it could be made out so I could cash it & put it in the bank for him when he gets home, as I am his grand-mother & Guardian. I am enclosing a photo-static copy of my grandsons will you sent. I would appreciate an answer as soon as possible.

Sincerely,
Mrs. Lillian Lowe.
Miss Shirley Salvadosh.

P.S. My grand-daughter and I would like to thank you for sending John's personal belongings home.
My Grand-Daughter is writing this for me.
