EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed $75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The $75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the $75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Gentlemen: In Re: Sergeant John L. Johnson 17110843

Mr. Gust T. Johnson of Box 43, Route # 1, Balsam Lake, Wisconsin has asked us to communicate with you for the purpose of ascertaining the place of death and the place of burial of the above named deceased, his son.

Under date of August 11, 1944, Samuel E. Anderson, Brigadier General, USA, Commanding Headquarters IX Bomber Command, APO 140, wrote to Mrs. Gust T. Johnson, the wife of the above named Gust T. Johnson, the mother of the above named deceased, advising that her son had been killed in action on August 6, 1944, and in this communication he advised he was sorry that he could give no further details.

The parents are of course interested in acquiring some information about this matter, and also about the burial place of their boy. Any information that you can give us, or any reference to any one that might give us some further information will be very sincerely appreciated.

We are not writing this letter as attorneys for Mr. and Mrs. Johnson, but are merely writing it in their behalf because we are old friends of the family, and they felt that we might better carry on the correspondence than they themselves.

Yours very truly,

Nelton & McGinnis

Dear Sir:

My son, the above named was killed in action on August 6, 1944. To date, we have never received any information other than a telegram notifying us. Will it be possible vor you to let us know of his place of burial, and who was the chaplain at that time at the above mentioned address.

In the last letters received from my son he mentioned that he had been awarded the Oak Leaf Cluster and the Air Medal. We have received his personal effects, but these medals were not with the effects. Could we possibly obtain these medals.

The next of kin of my son's buddies received official letters as to cause of death and whereabouts of graves of their sons, but we have not received any word. As long as they were members we can't understand why we can not have mored definite information.

Your early reply will be very much appreciated as it means so much to us.

Very truly yours,
