9 July 1947

MEMORANDUM TO: Officer in Charge, Casualty Section,
Personnel Action Branch, AGO

SUBJECT: Report of Death

1. The following-named Air Corps personnel were reported missing in action 10 April 1944, while in flying pay status, by ETO Shipment No. 042:

1st Lt	Cramsie, William E.	025895
S Sgt	Henshaw, Charles R.	32452886
S Sgt	Steward, Jack	18097398

2. Findings of Death were made in the cases of the above-named persons under the provisions of Section 5, Missing Persons Act by S. R. & D. No. 2724, showing the presumed date of death as 11 April 1945.

3. Missing Air Crew Report No. 3747, submitted by the 671st Bombardment Squadron, 416th Bombardment Group on 12 April 1944, identifies subject personnel as the crew of A-20 aircraft No. 43-9699 which was lost on an operational mission to Bois des Hutries, France, on 10 April 1944. The plane was last contacted at 1020 hours over the English Channel on the return trip, and its loss was attributed to enemy antiaircraft. It was then flying with single engine at 400 feet altitude. The pilot, Lt Cramsie, requested bearing from Bradwell Bay and acknowledged the reply. The officer hearing the acknowledgement was 15 miles off the English Coast at the time he intercepted the message. Lt Cramsie's last known position is indicated on a map attached to the Report at the coordinates 51° 40' N - 01° 50' E, about 40 miles off the English Coast. No search was conducted by the Group. Bradwell Bay is shown on the aforementioned map as off the mouth of the Thames River, between Margate and Clacton on Sea, England.

4. Captured German Records from Interrogation Center, have been searched but contain no reference to subject persons.

5. The aircraft of which subject personnel comprised the crew was last contacted by radio approximately 40 miles off the coast of England while returning from a mission to France. Since no records are available which indicate that the bodies of any of the personnel were found, it is only reasonable to assume that the aircraft either crashed or ditched in the North Sea at the approximate position where the message was intercepted and that the crew were either killed in the crash or died after landing in the North Sea at a point too far distant from land to permit rescue. This view is further strenghtened by the knowledge

that over three years have elapsed since these men became missing during which time no report has been received in the War Department to indicate that they are alive.

6. It is recommended, therefore, that pursuant to the provisions of Section 9, Missing Person Act, the foregoing information be accepted as an official report of death, and that a casualty report be initiated stating that each person named in paragraph 1, above, was killed in action 10 April 1944, in the North Sea, approximately 40 miles off the coast of England, and that they were in flying pay status. The systemat will be processed in accordance with Paragraph 2 b, Operations Bulletin 35, 1945. The casualty report and official report of death will include the following statement:

> Finding of Death has been issued previously under Section 5, Public Law 490, 7 March 1942, as amended, showing presumed date of death as 11 April 1945. This "Report of Death" based on information received since that date, is issued in accordance with Section 9 of said Act and its effect on prior payments and settlements is as provided in Section 9.

MEMORANDUM FOR: Chief, Casualty Branch.

SUBJECT: Review and Determination of Status under the Missing Persons Act.

I - FACTS

1. The persons named below were reported missing in action over France by ETO Casualty Car Shipment No. 042 and have been carried on War Department records as missing in action since 10 April 1944:

Name -	ASN	Grade
Cramsie, William E.	025895	First Lieutenant
Henshaw, Charles R.	32,452,886	Staff Sergeant
Steward, Jack	18,097,398	Staff Sergeant

2. Missing Air Crew Report No. 3747 dated 12 April 1944 shows that the persons named in paragraph 1 above were members of the 416th Bomb Group, 671 Bomb Squadron and that they constituted the crew of A-20G-30 aircraft No. 43-9699. This plane took part in an operational mission to Bois des Huitrues France. It was last contacted over the North Sea at 1020 hours, on the retur trip. It was then flying with single engine at approximately 400 feet Altitude. The pilot, Lieutenant Cramsie, requested bearing from Bradwell Bay, England. He was heard by First Lieutenant Marion S. Street, 026323, and another pilot in the same flight, to acknowledge the reply. Lieutenant Street was 15 miles off the English coast at the time he intercepted the message. A map attached to the missing crew report is marked to show that the last known whereabouts of Lieutenant Cramsie's plane was at the coordinates of approximately 51° 40' North - 1° 50' East, about 40 miles off shore east of Bradwell Bay, England. No search was made by the Group.

3. Files of these persons in Casualty Branch, Officers Branch and Enlisted Branch have been examined, also index in Prisoner of War Information Bureau, PMGO. The AGO Form 20's of the enlisted men concerned show that the target was near Hazebrouck, France, that no enemy aircraft were

destroyed, and that the plane in question left the French coast near La Panne, France. No other information pertinenet to the present review and disclosed except as shown herein.

II - CONCLUSIONS

1. This case concerns an A-20 (Havoc) aircraft which took part in a mission over France on 10 April 1944. Official War Department records show that on that date allied aircraft carried out round-the-clock attack on enemy airdromes, aircraft factories, coastal defenses, and railroad yar

2. The aircraft in question was last contacted over the North Sea approximately 40 miles east of Bradwell Bay which is located near the mouth of the Thames River. At that time it was flying on one engine.

3. No word has been received from or about these persons in the twelve months which have elapsed, and, in view of the foregoing, they may not reasonably be presumed to be living.

III - RECOMMENDATION

It is recommended that findings of death be made under the provisions of section 5 of the Missing Persons Act in the cases of the persons named in paragraph 1 above and that these findings show 11 April 1945 as the presumed date of death.

Dear Mrs. Steward:

The Army Effects Bureau has received some personal effects belonging to your son, Staff Sergeant Jack Steward.

This property is being forwarded to you in one carton and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.

Yours very truly,

F. A. ECKHARDT

Dear Mrs. Steward:

Thank you for the information furnished the Army Effects Bureau in connection with personal property of your son, Staff Sergeant Jack Steward.

I am inclosing a check for $ 323.00 which is the only property belonging to him received at this bureau.

My action in forwarding these funds does not, of itself, vest title in you. The money is transmitted in order that you may safely keep it on behalf of the owner, pending his return. In the event he is later reported as a casualty, the funds should be distributed according to the laws of the state of his legal residence. I sincerely hope that such distribution will not be necessary.

Please acknowledge receipt of the check by signing one copy of this letter in the space provided below and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

All War Department agencies are under instruction to forward personal effects of military personnel to the Army Effects Bureau for disposition; money, as a rule, is converted to a check and transmitted by mail, in advance of other property. You will be notified promptly in the event we later receive additional belongings of your son.

Your letter from the Brigadier General has been noted, and I am returning it to you herewith.
